Who is FRED?

Friends of the Edisto (FRED) was established in 1998 to facilitate conservation of natural resources and support sustainable development within the Edisto River Basin of South Carolina. FRED is a nonprofit, tax-exempt organization as described in section 501(c)(3) of the IRS Code.

The mission of FRED is to protect and enhance the natural and cultural character and resources of the Edisto River Basin through conservation and responsible use.

FRED advocates and seeks to implement the policies and recommendations of the Edisto River Basin Task Force, as published in the 1996 guide, *Managing Resources for a Sustainable Future: The Edisto River Basin Project Report*, which is available from the SCDNR.

FRED was founded by conservation-minded citizens who live near the Edisto and desire to keep the river clean and unspoiled for generations to come. We invite you, your family, and your organization to join us and share in our mission for the future of the Edisto.

Please Join Us
